

Congregation Beth Israel Bellingham
Interior Design Committee (IDC) Charter
Board approved 9/16/25

Name: Interior Design Committee (IDC)

Purpose: To help create an interior design for the synagogue that meets the needs of Congregation Beth Israel and enhances an overall feeling of the sacredness of Judaism and community for all who enter the synagogue.

Role and Responsibilities:

1. Identify specific projects relative to interior design needs and future projects at CBI.
2. Work with other committees or groups regarding interior-design related issues. Members of the Interior Design Committee work with various CBI committees to review projects as they relate to the building's interior design.

Appointment of Chair:

A member of the committee volunteers to be the chair. Board must approve the chair.

Members:

- **Required**
 - CBI member in good standing.
 - Cares about the CBI interior building environment.
- **Desirable**
 - Professional background in interior design.
 - Design experience with interior finishes.
 - CBI Rabbi & Board President serve as Ex Officio members.

Term Limits:

- Members: Flexible based on committee member's desire to stay involved.
- Chair: 6 year terms with flexibility depending on the availability of willing and capable candidates.

Budget: There is no specific budget. The committee can only buy items with prior Board authorization and approval.
